

Work Plan No. A.05-01 – Tunnel Lighting Review

2 Services to be Performed by Consultant and Work Breakdown Structure

Arup will provide a 3rd party review of the performance specifications and their use to evaluate two potential tunnel light fixtures for the Tunnel Lighting project (“Project”). In performing this review, Arup will rely on the following documentation provided by BART: the submittals from the two lighting manufacturers, BART’s review materials, and BART’s specifications (including the BFS). Arup will produce a memorandum documenting our findings based on this information. Arup will not review contractual materials or be providing any legal analysis, and makes no warranty, express or implied, with respect to use of the memorandum.
