Construction Notification # 29

Temporary Reconfiguration of Pedestrian Pathway

May 18, 2011

BART continues work on the subway portion of the Warm Springs Extension project through Central Park. As part of this work, the pedestrian pathway surrounding the eastern lobe of Lake Elizabeth will be temporarily reconfigured on Friday, May 20th. The reconfiguration is expected to remain in place for several months. Pedestrians will continue to be able to walk around the lake using the revised route. Park users should look for signs directing them to the alternate route around the lake.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.
